HOW TO APPLY

Application Deadlines

You will need to ensure your application is received in sufficient time to allow visa processing, which might take up to three months, depending on the country you are applying from. You should arrive in time for the first day of your program. Late entry is not always possible where there are set start dates.

Step 1

Select the English course you would like to study, taking note of the duration, cost and any set start dates before completing the application form. You should also check with any follow-on Institution to make sure you will finish your English (and possibly have a holiday) before your next course commences.

Step 2

Send your completed application form with original, or certified copies of the following documentation attached to UIL:

- ☐ Passport (and Visa if applicable)
- ☐ Educational certificate(s) and academic results (must include grading scale/key used at the institution where you have undertaken your highest studies)
- ☐ Current English language test results, i.e. test completed in the last 2 years (if applicable)
- ☐ A copy of your existing Overseas Student Health Cover if you don't want UIL to arrange it for you
- ☐ A release letter from the Institution you are currently studying with (if applicable)

If documentation is in a language other than English, an official certified translation must be included, i.e. translated by the issuing institution or by an official translating service.

Step 3

If you have met any entry requirements and supplied all relevant documentation, we will send you an electronic Letter of Offer package, which you (or your agent) will receive by email. The package will include:

- ☐ Letter of Offer (quotation)
- ☐ Name and duration of the programs you have been accepted into
- ☐ Tuition fees and other costs
- ☐ Details of when payments are due
- ☐ Terms and conditions of enrolment
- ☐ Overseas Student Health Cover Information

Step 4

Once you have received your Letter of Offer, please complete the following documents and return them to us:

- ☐ Sign the Acceptance of Offer and Payment Agreement, including Terms and conditions of enrolment
- ☐ Meet any conditions outlined in your Letter of Offer
- ☐ Pay the fees set out in your Letter of Offer

Step 5

Once we receive the above, we will provide you or your agent with the following documents:

- ☐ Electronic Confirmation of Enrolment (eCoE)
- ☐ Receipt of your payment
- ☐ Overseas Student Health Cover (OSHC) information
- ☐ Pre-departure information

These are the documents you will need in order to obtain a student visa for Australia.

Step 6

Use your eCoE(s) to obtain a student visa from your nearest Embassy or Consulate in your home country. If you have an agent, the agent will be able to help you to apply for your visa.

Step 7

Once you have a student visa, you will need to make your travel and accommodation arrangements.

PLEASE NOTE: If a student is unable to commence their course by the advised dates, a course deferral may be possible. The student must communicate with UIL and any relevant pathway providers to request a deferral which will be considered at the discretion of the providers. Students must be aware there may be resulting student visa implications.

Enjoy your studies with UIL – and remember, we are here to help you settle into life in Australia.
